Our world deserves more you.

Our world deserves more you.

Because it’s yours. The quirks, the friendlies, the curious, and of course the kind. Our world belongs to the people who get out there and see every part of it — its good, its misunderstood, its unbelievably awe-inspiring. It belongs to the people who live it, taste it, try it, learn from it, and bring what they offer to it. Our tours bring you closer to our world, its people, their culture, and their way of life. If you want to be part of where our world is headed, go and see where the rest of it is going. Our world deserves more. Our world deserves more you.
It began with one man...

In 1990, Bruce Poon Tip was living in a garage apartment in Toronto when he had an idea to change the face of travel — a small group adventure company that bridged the divide between backpacking and coach tours. He wanted to develop tours that got to the heart of a destination and met the people who live there. At a time when the concept of sustainable travel didn’t yet exist, Bruce was about to become one of travel’s first disruptive innovators.

…and two credit cards

When no bank was willing to provide him with a loan, Bruce funded his startup by maxing out two credit cards. From there, two tours were launched in Ecuador and Belize, and the stage was set for a new style of travel that gave travellers the opportunity to explore the world with like-minded people and interact with locals in the countries they visited.

Now it’s a global social enterprise

G Adventures is now the world’s largest, independently-owned, small group adventure travel company, with more than 750 tours on all seven continents. Built on a foundation of strong shared core values, G Adventures creates tours that support small businesses and help local communities to help themselves.

And we’re just getting started

It’s our mission to help travel become the greatest form of wealth redistribution the world has ever seen. Our travellers contribute to local economies, support small businesses, and fund the development of Planeterra projects that strengthen the communities they encounter and explore with us.
Entrepreneur, leader, and philanthropist Bruce Poon Tip is the founder of adventure travel company and social enterprise G Adventures.

Passionate about travel’s power to change the world for the better, Bruce has become a global leader on community tourism, social entrepreneurship, leadership, immersive travel, and innovation. He has addressed the United Nations and the World Bank, spoken at Apple and Google, and delivered keynote speeches at TED events and entrepreneurship conferences globally.

In 2018, Bruce was inducted into the British Travel and Hospitality Hall of Fame, and named as one of *AFAR Magazine* Travel Vanguards — a visionary travel industry leader who is changing the face of travel for the better. He was also honoured as one of Canada’s Most Admired CEOs in the category of social entrepreneurship.

“We get back what we put in. You just have to believe that what you’re doing is important, that it’s worth the effort, and you’re doing it for reasons other than just to make money.”

— Bruce Poon Tip, founder, G Adventures

*Based G Adventures data during calendar year 2018
Other companies settle for mission statements. At G Adventures, we live by our five Core Values: **We Love Changing People’s Lives, Lead With Service, Embrace the Bizarre, Create Happiness & Community, and Do the Right Thing.**

These values form the foundation of our strong company culture — known collectively as G Nation — and are designed to be embodied by all staff wherever they work: both inside and outside the company, with each other, our business partners, and our travellers.

In 2009, we introduced the “Happiness Business Model” for our staff, a pivotal innovation that has fostered a global culture of happiness and freedom, creates a sense of community, and speaks to a higher purpose.
At G Adventures, we don’t have a single CEO. We have more than 1,500 CEOs powering our business. Each tour is led by an expert Chief Experience Officer responsible for offering local insight, pursuing great experiences as they happen, and adding a unique personal perspective to every adventure. What matters most to a CEO is making the tour the best it can be.

Whether it’s insider access to a normally restricted place, advice about where in the city to explore, or simply a unique take on the culture, CEOs are so much more than guides; they’re the key to an incredible experience.
G FOR GOOD

Making the world a better place one commitment at a time.

Responsible travel isn’t just something we do. It’s in everything we do. We change lives through travel, and after 30 years of growing our philosophy, it’s our company’s DNA. Yes, life-changing experiences for our travellers are our obsession. But that’s just half of the story. We’re equally obsessed with the people and communities we visit, and how our tours enable us to establish life-changing initiatives globally. We call it G for Good and it includes all of the social, moral and ethical Good we undertake as a business. Planeterra’s projects are a big part of this, as are industry firsts like our Ripple Score. They are examples of the things we do that help us travel better. G for Good is what makes us, us — and you, you. It lives in how we conduct our business, and ourselves, each and every day all around our beautiful world. It’s how we’re creating a better world one commitment at a time.

G for Good: Project 100
On January 1, 2016 we launched our 50 in 5 campaign. Now we’re increasing our commitment to local communities with Project 100.

The original goal with 50 in 5 was to launch and support 75 Planeterra projects around the world by 2020, giving us five years to create new life-changing experiences. Thanks to the dedication of our non-profit partner the Planeterra Foundation, we achieved this goal a year and a half early, with a total of 75 projects in 2019.

With Project 100, a part of G for Good, we have increased our commitment to benefiting local communities through tourism with a total goal of 100 global projects by the end of 2020. This increase would enable 90% of G Adventures’ travellers to visit a community tourism project.

Planeterra projects help empower local communities by focusing on supporting: women, children, Indigenous culture, and environmental conservation. To create these projects Planeterra works with social enterprises around the world where these groups are disadvantaged due to barriers such as lack of education, income opportunities, or gender equality. With G Adventures, Planeterra selects projects that can benefit from our tours, creating experiences that are equally beneficial for the locals involved in the project, and travellers who visit.
OUR NEW PLANETERRA PROJECTS

Al Numeira Environmental Association
South Ghour, Jordan
This community, just south of the Dead Sea, suffers from one of the most significant water shortages on earth. Through its partnership with Planeterra, the Al Numeira Environmental Association has been able to rebuild their community centre kitchen that was destroyed following a devastating fire, and provide training on tourism and hospitality that allows them to grow their social enterprise café. This has led to the hiring of more people at the community centre, and additional investment in their environmental initiatives.

› 560 community members benefiting
› 1,600 G Adventures travellers will visit each year

Lusumpuko Women’s Club
Victoria Falls, Zimbabwe
Planeterra provided the Lusumpuko Women’s Club with kickstarter funding and training to successfully launch a catering business geared towards the tourism industry in Victoria Falls. Once a co-operative focused on rearing chickens, today the group is thriving through preparing traditional meals, much like those their mothers and grandmothers used to prepare, for G Adventures travellers. The group proudly boasts that they are better equipped to care for their families and pay school fees for their children because of the increased income.

› 140 community members benefiting
› 1,430 G Adventures travellers will visit each year

Favela Experience
Rio de Janeiro, Brazil
Working alongside our partners, Favela Experience, we developed a new social enterprise tour in Vidigal, one of Rio de Janeiro’s many favelas. Planeterra provided funds for training, infrastructure, and equipment for five micro-enterprises and community organizations, all of which benefit from the new tour. This tourism experience not only showcases the community and its entrepreneurs, but helps travellers see a different side of Rio de Janeiro while offering an income for the primarily youth population of Vidigal, who have been trained as guides and who are leading these new businesses.

› 161 community members benefiting

Don’t just see the world. Make it better.

Planet Earth is an amazing place, but it’s far from perfect. Since the very beginning, G Adventures has operated with the belief that travel is an exchange, not a commodity. As a social enterprise, the planet is our product. Its social and environmental welfare is fundamentally important to us — not just as a business, but as human beings, too. When you travel with us, you’re giving back as much — if not more — than what you take away, often in ways you’d never expect. Here’s how we spread G for Good around the world.

**ANIMAL WELFARE**
G Adventures recognizes the importance of animal welfare. That’s why we have adopted guidelines built in conjunction with World Animal Protection, a third-party organization whose mission is to protect animals from abuse.

**CHILD WELFARE**
G Adventures believes that it is critical that no child is ever harmed as a result of tourism. Travellers have the power to make a true impact in the communities they visit, and that’s why we actively work to ensure child welfare is protected in the places we operate.

**RESPONSIBLE TRAVEL WITH INDIGENOUS PEOPLE**
Connecting curious travellers with Indigenous communities is an essential part of our identity at G Adventures. We are committed to respecting the rights, history, and culture of Indigenous people while ensuring that tourism supports their well-being.

**Ripple Score**
In 2016, we completed the G Local Survey* to study the real-world impact of travelling on the communities we visit. The result? There was an obvious, positive ripple effect created by our small group adventure tours. It was a good start. But we knew we could do better.

We feel it’s our responsibility to be as transparent as possible about how often we choose local businesses or services to bring each adventure to life. So we’re assessing our tours with what’s called a Ripple Score — a tour evaluation that lets you see the money spent locally by G Adventures on all the services it takes to run your tour — like accommodations, restaurants, and transportation.”

*Created with our non-profit partner Planeterra and Sustainable Travel International. More info and global results from our G Local supply chain assessment can be found at gadventures.com/about-us/responsible-travel/g-local

**Airlines were excluded from our calculations because airlines typically fit into two categories: multinational publicly traded companies or national, government-owned businesses.**
**EVERYWHERE IS LOCAL**

Everywhere we go, from the biggest cities to the tiniest villages, we opt for local businesses and services whenever we can. Last year, we became the first travel company to conduct a supply chain assessment based on our core values — the G Local Survey — to study the real-world impact of our travellers on the communities we visit. The numbers speak for themselves.

**THE G DIFFERENCE**

As small group adventure travel pioneers, we’ve always done things a little bit differently. To us, there’s no such thing as “outside-the-box” thinking because we don’t believe in boxes. Check out a few of the ways we live the G Difference daily.

**100% GUARANTEED DEPARTURES**

Every G Adventures departure is guaranteed to run, meaning once a traveller is booked and paid, they’re going. A trip won’t be cancelled by us for any reason (beyond harsh weather or safety issues).

**LIFETIME DEPOSITS™**

Our Lifetime Deposit policy protects travellers from unexpected events that may cause them (for any reason) to cancel or delay their trip. Whether they opt to use it again for the same trip, transfer it to another one, or just hold onto it for now, we’ve got them covered. They can even pass it on to a friend or donate it to Planeterra.

**24/7 SERVICE**

When your business covers the whole world like ours does, you have to be available and accountable all the time. If a traveller’s got a question about a tour — even if it’s the one they’re currently on — we’re here to help. Always. We never sleep. Never.

**NO SINGLE SUPPLEMENTS**

If a traveller is going solo, we believe they shouldn’t have to pay extra for making new friends and having the time of their life. That’s why we don’t charge single supplement fees. We’ll partner them up with a same-sex roommate to ensure they pay the same as everyone else, or travellers can choose the My Own Room option on request.

**CHOICE**

Not to toot our own horn or anything, but we offer the widest variety of destinations, departure dates, Travel Styles, and Service Levels in the business. No matter where, when, how, or why someone wants to travel, we’ve got the trip of a lifetime for them. (Toot.)

**VALUE**

What a traveller saw and did should be the most memorable part of their trip, not the price they paid for it. We offer unforgettable travel experiences at the most competitive prices you’ll find anywhere. How? By following an approach to travel that keeps operating costs low and savings high.

**SATISFACTION**

We’re pretty proud of our customer satisfaction record. A whopping 99% of our travellers report satisfaction with our service on their tour. How do we do that? By listening. We keep what passengers love, and tweak whatever just didn’t hit the mark. It’s just one of the many ways we lead with service.

**GLOBAL NETWORK**

There’s a great big world out there, and with almost two dozen sales and operations offices worldwide, you’re never far from one. And with a fleet of exclusive boats, lodges and vehicles at our disposal, we can deliver an experience that’s consistent from start to finish.

**PRIVATE TRAVEL**

To make a private tour perfect, you’re going to need choices. With our Private Travel options, you can take one of our tours and bring along only the group you choose, or you can customize an affinity group entirely for you. This year, we launched TailorMade, where travellers can customize sample itineraries to whatever they would like.
